Curriculum Kits

Every Learning By Grace course comes with its own Curriculum Kit. Our kits contain carefully selected supplemental enrichment materials, including both fiction and non-fiction books, CD-ROMS, games, workbooks, art supplies, math manipulatives, and a few fun surprises. Students are encouraged to use these offline materials as they wish. They can even log instructional time while pursuing outside enrichment, because we know real learning happens off the computer as well.

Talking eBooks

Learning By Grace courses are based on eBooks. eBooks are electronic books delivered through the Internet. eBooks contain everything found in traditional textbooks PLUS they are filled with animations, websites, simulations, videos, scriptures, and even an encyclopedia and dictionary for those hard to understand words and concepts. Our Statement of Faith

The Academy Statement of Faith begins with the premise that the Bible is God's infallible written Word. We believe that it was fully inspired by the Holy Spirit and that it is without error in the original manuscripts.

- There is one God, existing in three persons, Father, Son, and Holy Spirit.
- Jesus Christ is God, the Living Word, who became flesh . . .
